WE DEDICATE

THE ROAD NOT TAKEN BY — ROBERT FROST

Two roads diverged in a yellow wood,
And sorry I could not travel both,
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.

MR. S. RAY GRIM, JR.
SUPERVISING PRINCIPAL

If graduation from high school has been one of your goals in life, we are hopeful that your achievements have been of complete personal satisfaction. Your teachers have tried to develop in you a thirst for knowledge and understanding. They have challenged your thinking and have endowed you with basic tools and skills. The reason a baby can know little and an adult much, when confronted with the same things, is not because the latter has a "mind" which the former has not, but because one has already formed habits which the other has still to acquire. We subscribe to the philosophy that habits are conditions of intellectual efficiency and that habit is energy which is organized in certain channels.

The future of each of us rests within our own powers. Do well what at the present you have knowledge, habit and understanding to do and your future will be rewarding. The Golden Age lies ahead of you, not behind you, I encourage you to establish new goals, to cultivate higher ideals, to strive to attain your true and rightful station in our great society.

MR. CLAIR A. TROUT
PRINCIPAL

When does man become a man? Is it upon the receipt of a high school diploma or a college diploma? Is it at the time that he has accumulated a sizeable amount of worldly possessions? None of these are a true measure of manhood. A man becomes a man when he has found the best that is in him; when he has satisfied his inner self by achieving the best of which he is capable. It is only then that he knows what life is worth.

I suppose that any one of us when looking at our lives in retrospect will not become conscious that the things we did unselfishly for others brought us our greatest satisfaction. These are the acts that remind us that we are our brother's keeper. What a challenge? What an opportunity; what a dire need for young people to become men and women in its truest sense.

Best wishes in your efforts as you grow into manhood and womanhood.

This season wasn't very good for the Wildcats but they did win two. The team had a tough season for they had little experience and different tactics taught by the new coach. The team will be losing only eight seniors, leaving a lot of good players for our coach to work with. The boys all deserve a pat on the back for their effort and hard work put in the past season.

HOMECOMING

The Homecoming dance this year was a real royal affair with the queen and her court in street length gowns and escorted to the royal platform to the tune of "Pomp and Circumstances." Yes, it was an elegant affair and a very exciting one for the girls and their escorts.

The queen, Miss Susan Hess, was crowned by Miss Wanda Keller, a former homecoming queen of Dallastown.

Miss Linda Arnold, Miss Nancy McFadden, Miss Brenda Diehl and Miss Leslie Keeports.

The D-Town basketball teams under the coaching of Barry Stein and A. Neil Harvey has been having a fairly good season with a four and four record. The games have been close and exciting with our teams putting up a good fight to the end. The boys have a real tough schedule this season and we wish them the best of luck and we'll all be out there cheering for you.

WRESTLING

This year the wrestling team, under the coaching of Murray Davidson and James Beck, we have a rather experienced team. Several lettermen have returned in addition to some other matmen who wrestled last year. This year a greater number of fellows have participated in this relatively new sport at D-Town then any previous year. We have quite a tough schedule to cope with this year with the most troubled spots being Spring Grove and West York. We hope they have a season as successful as last.

Good Luck, Stan!

VOLLEYBALL

Although the volleyball team did not have a highly successful season, there are always thoughts of a brighter future. However, they did not go completely winless for they came through with a victory against Susquehannock. Several times the girls were leading but were futile in their attempts. Much appreciation to the girls for their effort put forth.

GOLF

This sport is in its first season at D-Town and had a very good standing in the county league. They finished in place. The coach, Charles Spangler, was also new to D-Town. He had formerly been a professional golfer himself. This year all of the team except the three seniors, who have graduated, will be able to return to the course. Best of luck in this second season.

BASEBALL

Coach Berger's nine did not fare this past year as well as usual, but with quite a few starters returning, they should again be back in the running. Although the record did not appear too impressive, many scores were very close and the game could have gone either way. However, we know the team will do better this spring out there on the diamond.

JUNIOR HIGH FOOTBALL

At the beginning of the school year 46 boys made up the Junior High football team. Under the direction of Mr. Orwig and Mr. Walters, the varsity put up a good fight. Although they did not have a very successful season, the outlook for the coming year is very bright. Mr. Kohler, who coaches the Junior High JV's, had quite a large turnout of seventh-graders. Good luck to the new team.

Nathaniel Harmon

Coach Harmon's Junior High varsity basketball team this year hopes to retain its championship title which they won last year. The team consists of some very talented players. Coach Harmon should have no trouble with height since several of the players are six feet tall or taller. Although the back court men are short, they are very quick. The future looks good for the Wildkittens. We hope they continue to play as well as they have played.

Sink it!

Nice shot!

James Bullock

JUNIOR HIGH TRACK

This year coach Bullock's team had only three meets and were unable to score a victory in any of the three. However, they were up against stiff competition in all the meets. These meets were with York Suburban, Spring Grove, and West York. Nevertheless, we are sure that the members put forth their best efforts.

The Student Council of Dallastown Area High School is the governing body of the school. It is the medium of exchanges of ideas and principles between the students and higher officials of the school.

The Student Council is molded after the Federal Government of the United States; consisting of two divisions. One body, the Representative Council, of a representative from each homeroom, and the other, the Executive Council, is composed of two representatives from each class.

The function of the Student Council is to promote more effiicient school life. The Council sponsors sock hops and dances. Each year they issue our school handbooks, and collect food for the needy at Christmas time in what is known as "Operation Santa Claus."

SPECTATOR BUSINESS STAFF

The Business staff of the yearbook completed the many business transactions needed for the yearbook. Under the direction of Mr. Winemiller, the staff worked on the various business phases of the book.

One of the biggest jobs of the business staff was to find an income sufficient to pay the expenses of the yearbook. In order to do this, they sold subscriptions and advertisements, secured patrons and then distributed the books to the subscribers.

SPECTATOR LITERARY STAFF

The Spectator was prepared by a staff selected last spring. The yearbook consists of the various activities which have taken place throughout the past year.

Before the close of last year's school term, the staff had begun to plan the yearbook. From the beginning of the 1962-1963 school term the staff worked to finish sections of the yearbook by certain deadlines.

Through the yearbook, the staff tried to portray the school life activities and incidents that will serve as enjoyable moments.

BEACON BUSINESS STAFF

The Beacon Business staff, supervised by Mr. Good, started its subscription campaign early in the year. The advertising manager and her assistants canvassed the area, soliciting for advertisements for the paper; the circulation manager and her staff conducted a vigorous subscription campaign in the school. Sincere gratitude should be extended to the staff for its time that it has contributed to our paper.

BEACON LITERARY STAFF

Directed by Mrs. Hannel, the Beacon Literary Staff worked diligently to produce a newspaper of high rank and quality. The "Beacon" is published six times a year. In this paper one can find the latest news about our school, and also special features, such as stories and poems. The "Beacon" is the means by which one can express his feelings concerning our school. The Beacon Literary Staff deserves much thanks and appreciation for all the work it has extended in order to produce a fine newspaper.

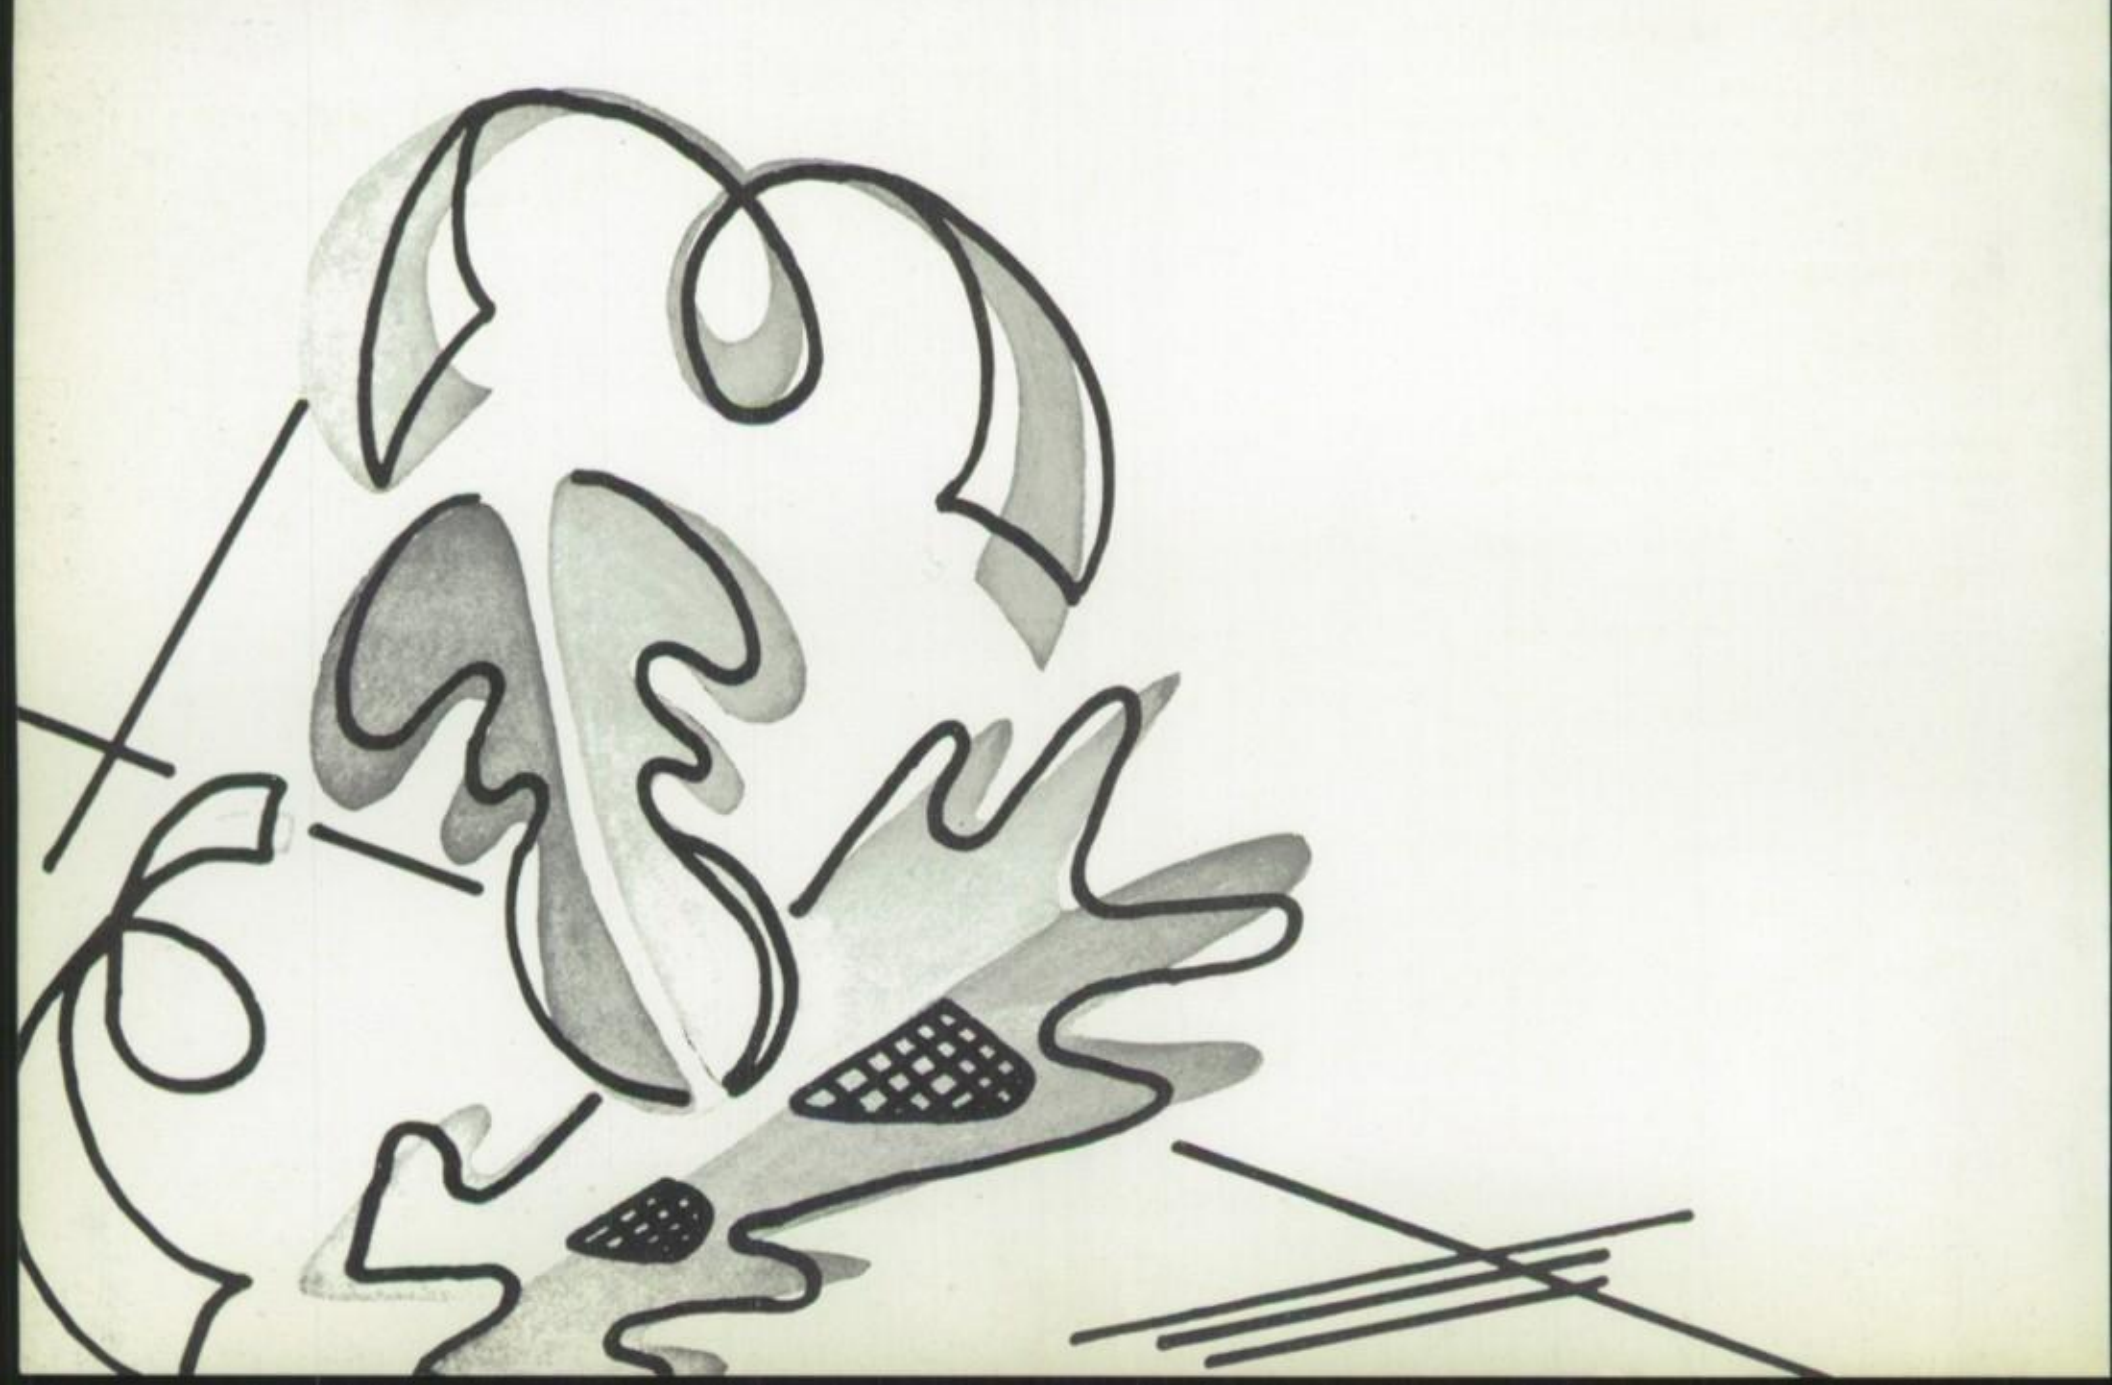
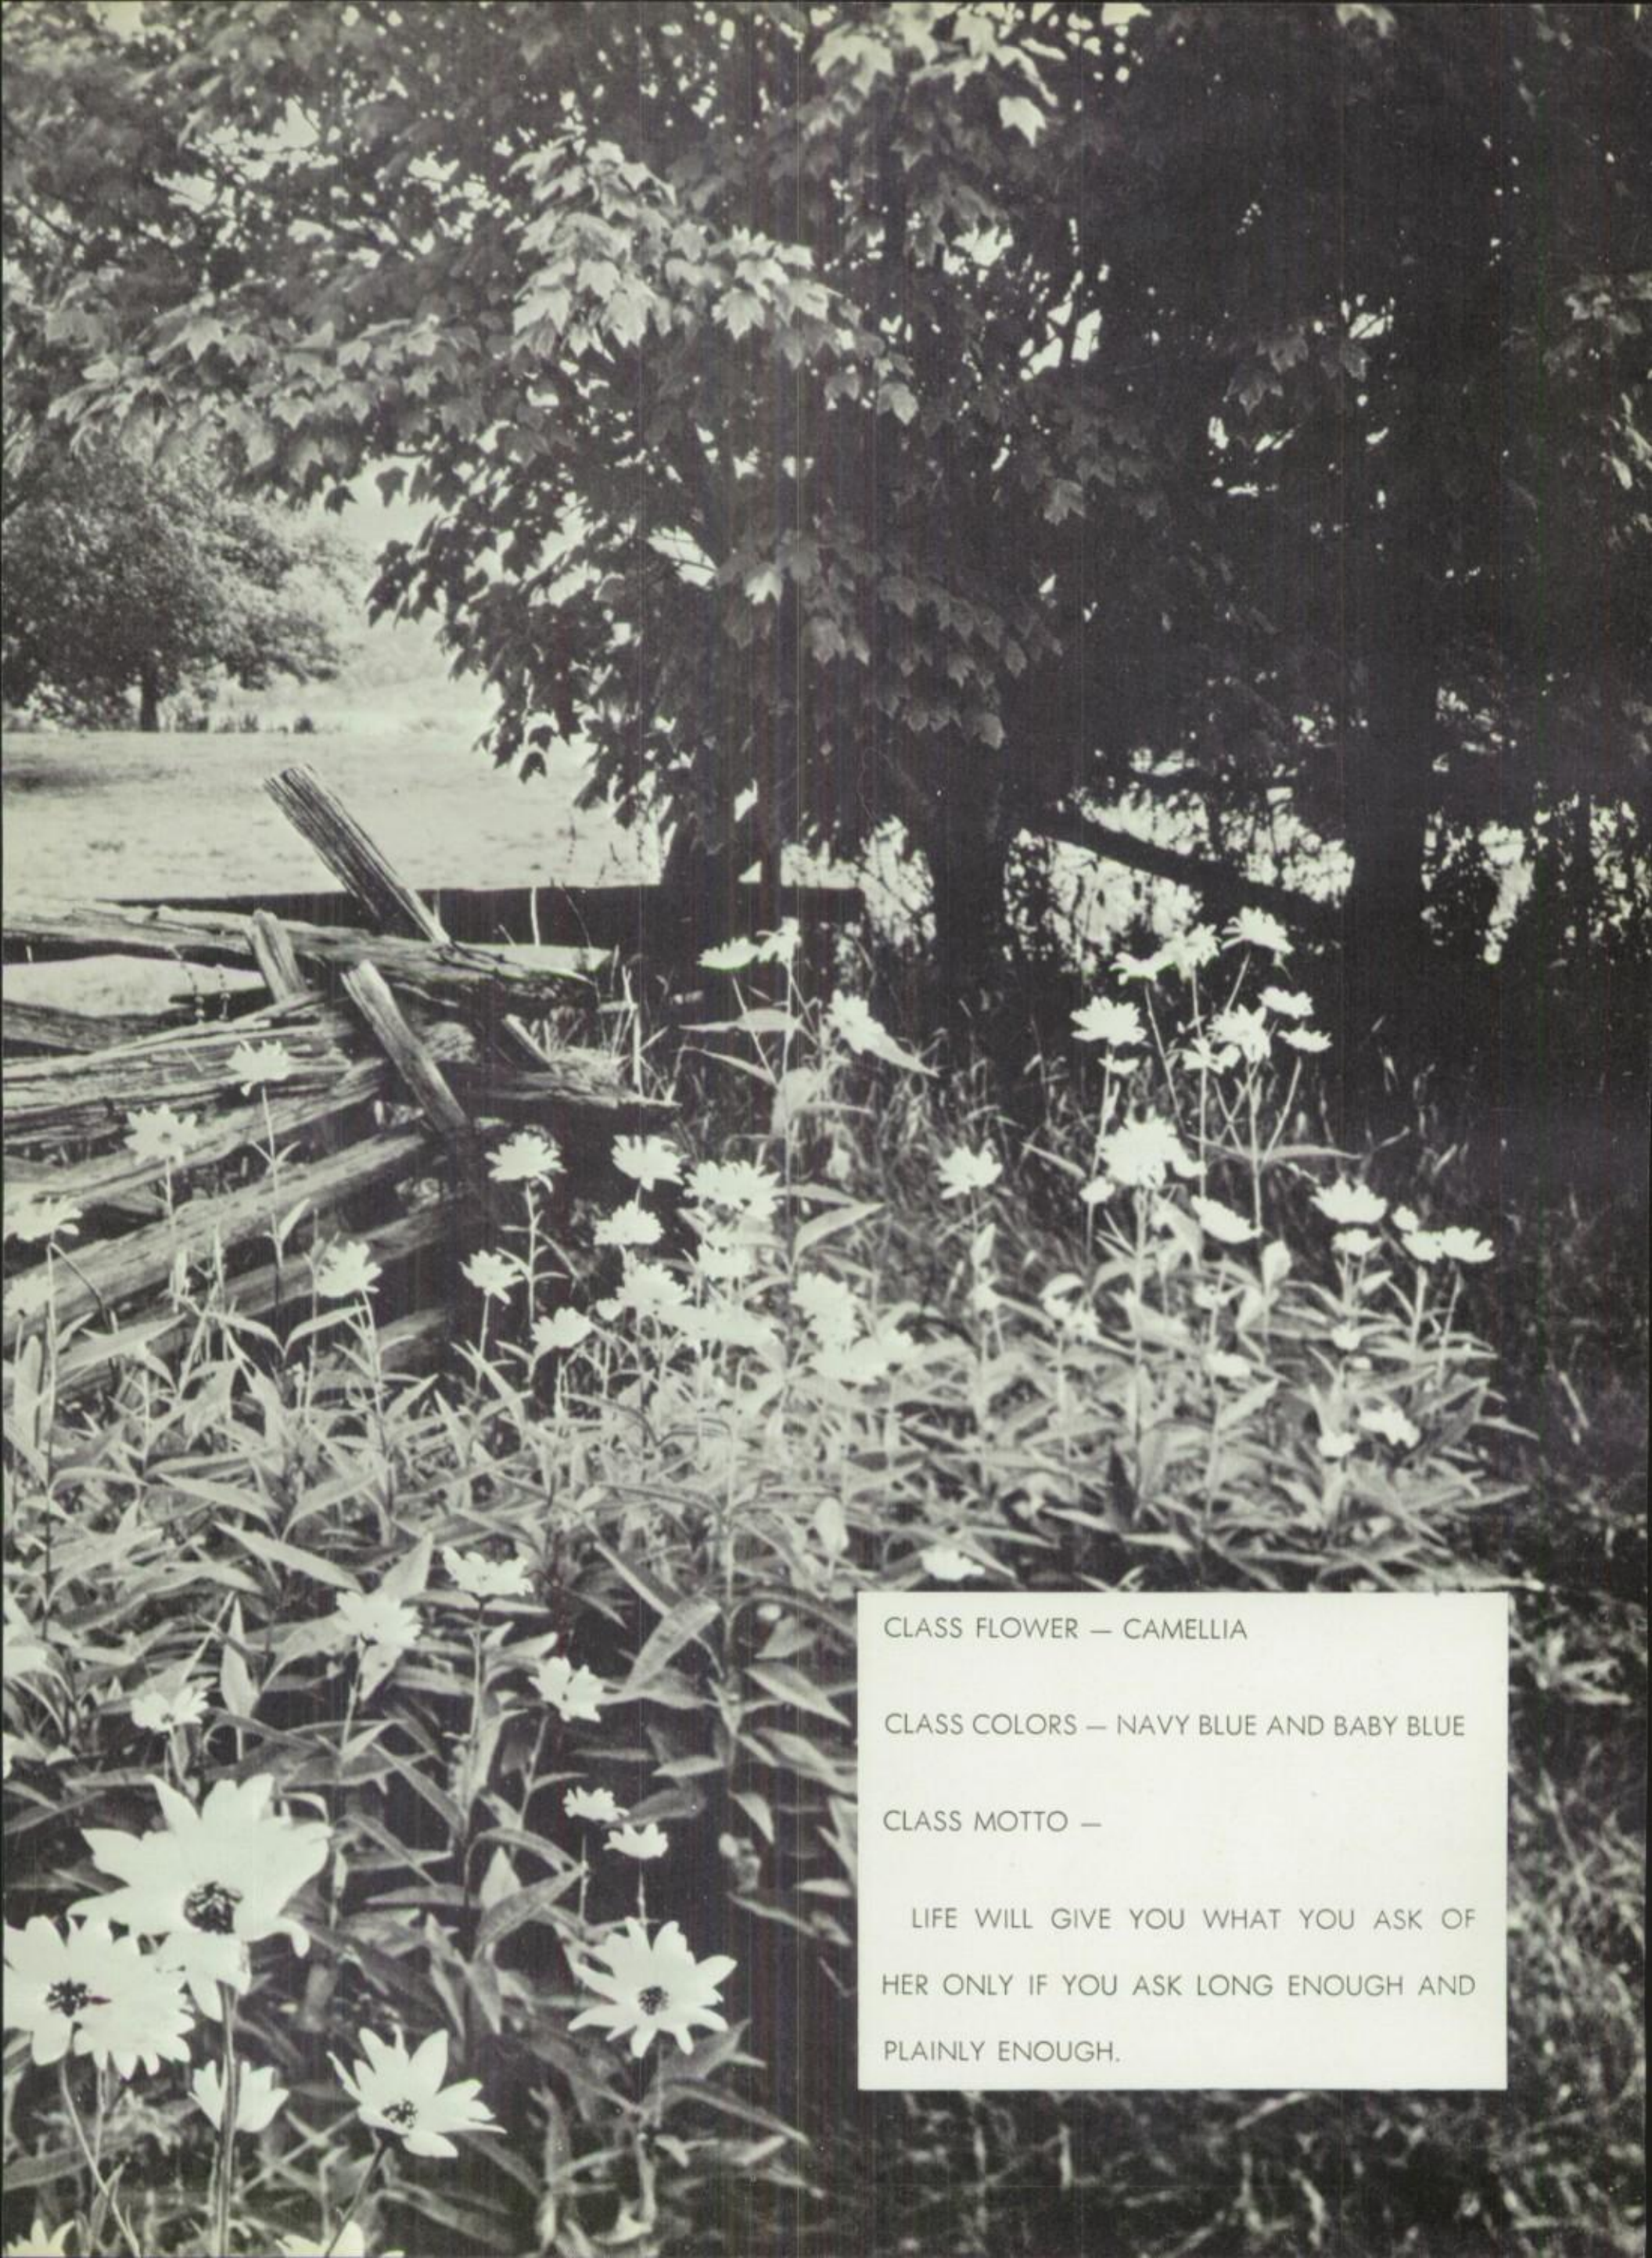
CLASS SONG

We the class of '63
Break our bonds and now are free,
But never will fond memories fade
That D-Town high has upon us made.
We enter life and learning
A hundred-eighty more.
We leave the halls of Dallastown
With memories of yore.
We leave our class and studies,
Our books and teachers dear.
With hearts too full for utterance
With but a silent tear
We fondly look behind us
And steadfastly before
We are coming, life and learning
A hundred-eighty more.





CLASS FLOWER — CAMELLIA

CLASS COLORS — NAVY BLUE AND BABY BLUE

CLASS MOTTO —

LIFE WILL GIVE YOU WHAT YOU ASK OF HER ONLY IF YOU ASK LONG ENOUGH AND PLAINLY ENOUGH.

COMMENCEMENT AND OUR

We bid the Class of '62 a cheery farewell.

Mr. Rojohn receives a happy smile.

The tea was enjoyed by the graduates and friends.

"PATHWAY TO THE STARS"

Getting ready for the big affair.

Dancing was enjoyed from promenade . . .

To finale.
